SKILLS

- Prompt optimization
- Research
- Data entry
- Attention to details

OBJECTIVE

I've spent the last few years working deep in the weeds of search evaluation and data auditing. I'm comfortable working independently in remote roles, hitting tight deadlines, and using tools like Excel and Google Sheets to keep everything organized. My goal is to help your team refine its models through consistent, high-standard data reviews.

JOB EXPERIENCE**TELUS Search Engine Evaluator February 2022 - October 2025**

Dedicated professional with over two years of experience as a search engine evaluator, specializing in data quality and algorithm optimization. I am highly proficient in interpreting complex user intent and applying rigorous guidelines to improve the relevance and accuracy of digital content. A disciplined remote worker with advanced skills in web research and data management, committed to delivering high-quality results in fast-paced environments.
